

### Bible History Puzzle 43

After the Lord had commanded Moses to hold his \_\_\_\_\_ over the Red Sea, a great wonder had happened. The \_\_\_\_\_ of water on each side of a dry path clearly showed which way the Israelites could \_\_\_\_\_ from the Egyptians. Again He was showing His might so clearly to the Israelites: showing them Who He was!

Can you imagine the crowd of Israelites crossing over? The men, the women, the \_\_\_\_\_, all the animals... they all walked steadily over the dry path. Can you imagine being at the bottom of that \_\_\_\_\_, with water on both sides of you, held up by God's mighty hand?

Then a shout of \_\_\_\_\_ went up. The Egyptians had seen them escaping and were following them right onto their path of escape! But the Lord was not finished yet. He made the chariot \_\_\_\_\_ start coming right off the chariots of the Egyptians and troubled them so they could not go on! The Egyptians right way \_\_\_\_\_ what was happening and that it was the Lord, the God of the Israelites. Hadn't they just witnessed all the plagues?

But before they could flee, the Lord told \_\_\_\_\_ to stretch out his rod again, and when he did, the waters came crashing down on to the \_\_\_\_\_ and their chariots. No matter how hard the Egyptians tried, they could not escape. Every single Egyptian was killed and all the Israelites reached the other \_\_\_\_\_ safely. The Bible says the Israelites \_\_\_\_\_ the Lord that day.

Moses and Israel began to \_\_\_\_\_ praises to the Lord, praising Him for all He had done for them. Miriam also went out with a timbrel (like a tambourine) and \_\_\_\_\_ and all the women followed her dancing with timbrels. They were all so happy because of all the Lord had done for them. Would they continue to remember His \_\_\_\_\_ as they faced many hardships in the way?
