

## Bible History Puzzle 42

The Israelites left Egypt to go to Canaan, the land that the Lord had promised to Abraham, \_\_\_\_\_(claaS) and Jacob. The Lord had also promised Abraham that a large nation would be born out of him and that had happened. The Lord always does what He promises!

A long line of men and women and also many little children left Egypt. Behind all those people came the cows and sheep with their calves and lambs as well as other animals.

Moses and \_\_\_\_\_(roAna) walked in the front of the big procession. They were going to lead the people, but they didn't really know the way. It was the Lord Himself Who was going to lead His people to the Promised Land. During the day they saw a large \_\_\_\_\_(lcuod) which they followed, and at night they followed a pillar of fire.

They travelled slowly with all the young animals and children, and the cloud went forward slowly in \_\_\_\_\_(tfnro) of them. The cloud brought them in the direction of the Red Sea.

When they came close to the Red Sea, they suddenly heard a shout! "The Egyptians! Pharaoh is coming!" Yes, in the distance they could \_\_\_\_\_(rhae) the sound. It was the sound of the Egyptian's chariots, and they were coming quickly! Oh, how terrible! They were being chased down to be brought back to \_\_\_\_\_(tEygp) again!

What could they do now? In front of them was the sea, and on both sides of them were the steep mountains, and worst of all, behind them was the \_\_\_\_\_(ramy) of Pharaoh!

The people immediately cried out to the Lord and then began to be angry with Moses. "We should just have stayed in Egypt! We had to \_\_\_\_\_(rwko) hard there, but now we will die out here in the wilderness!"

Do you think they did the right thing? No, but Moses did. The Lord had warned him that this would happen. And now he turned to the Lord and \_\_\_\_\_(ryepad).

The Lord answered and commanded them to go forward. But how could that be? There was a sea in front of them!

"Do not be afraid," Moses said. "Now you will see how the \_\_\_\_\_(roLd) will help you and you will never see the Egyptians again."

Pharaoh had regretted that he had let the people of Israel go. "We are going to get them back," he had said and he had called up 600 of his chariots and captains. When he saw the people of \_\_\_\_\_(reslal) standing in front of the sea he thought they were trapped.

It became dark, and the cloud moved in between Israel and the Egyptians. There was \_\_\_\_\_(glhti) from the pillar of fire on the side of the Israelites, but on the side of the Egyptians it was dark. They could not move forward and had to \_\_\_\_\_(tpso).

The Lord commanded Moses to hold his staff over the water of the sea. Moses obeyed, and a great wonder happened. The water stopped and piled up in large piles, and the wind blew and dried up a \_\_\_\_\_(tpah) all the way across the sea in between the walls. Oh, the Israelites saw right away that the Lord was again fighting for them. They believed that they could \_\_\_\_\_(lkwa) across that dry path safely to the other side. And there they went!

Deuteronomy 7: Know therefore that the LORD thy God, he [is] God, the \_\_\_\_\_ God, which keepeth covenant and mercy with them that \_\_\_\_\_ him and keep his commandments to a thousand generations;

2 Thess 3: But the Lord is \_\_\_\_\_, who shall stablish you, and keep [you] from \_\_\_\_\_.

Psalm 86: But thou, O Lord, [art] a God full of \_\_\_\_\_, and gracious, longsuffering, and plenteous in \_\_\_\_\_ and truth.

Numbers 23: God [is] not a man, that he should \_\_\_\_\_; neither the son of man, that he should \_\_\_\_\_: hath he said, and shall he not \_\_\_\_\_ [it]? or hath he spoken, and shall he not \_\_\_\_\_ it good?
