

Faith is in infants potentially and by inclination, although not actually as in adults. For, as infants born of ungodly parents who are without the church, have no actual wickedness, but only an inclination thereto, so those who are born of godly parents have no actual holiness, but only an inclination to it; not according to nature, but according to the grace of the covenant.

~excerpt from Ursinus' commentary on the Heidelberg Catechism

NOTES

All who would like to stand for the 3^d song are welcome to.
